Project Proposal:

Team one presents the IMD 2018 website proposal. This website will provide detailed information regarding the program courses and professors. There will be a detailed schedule that will highlight how classes will run. Students joining this program will be introduced to Web Production (coding) , Videography (camera work) and Applied Projects (Real life client project). Web Production is represented by Robert McKenney, Videography will be represented by Hussein Tayrani and Applied Projects will be represented by John Kozodoj (kozodoj@algonquincollege.com) and Ken McGinn (mcginnk@algonquincollege.com).
